SYDNEY · MELBOURNE · BRISBANE · BALLARAT · WOLLONGONG · YOUR TOWN

THE PARTNERSHIP

THREE PARTNERS. ONE NIGHT.

THE HOST VENUE

Opens the bar to a guest for one night and puts the brand on the menu.

THE BRAND

Backs the bartender's travel and stipend; gains an account and contacts.

THE BARTENDER

Builds a short menu around the brand and works a 6 pm to 10 pm shift.

DRINKS NETWORK RUNS THE PROGRAM

Matching, media, captions, ticketing, ticket-holder data, trade invites, the night and six days of trade follow-up. Any of the three partners can start a takeover.

A · THE HOST VENUE

WHAT HOSTING A BARTENDER MEANS

You lend your bar to a guest for one night. Your licence, house rules and team stay in charge; the guest brings the menu and the energy.

THE VENUE PROVIDES

- **One night**, bar open to the guest from 6 pm to 10 pm (later if you like)
- **An opening order of the brand** before the night, so the menu stays on after

- A station, ice, glassware, prep space and POS buttons for the menu
- The guest menu printed or on table cards
- Promotion to your own guests and socials
- Service under your licence and RSA rules

THE VENUE RECEIVES

- **Pre-sold tickets**: revenue for two cocktails per guest before the doors open
- **A guest bartender** and a menu built for your room
- **A ticketed crowd** from the Drinks Network campaign
- Every other drink and plate sold on the night
- Trade buyers in the room, hosted on the brand
- Artwork, captions and posts with your venue up front
- No ticketing admin
